REFUND POLICY FOR PART-TIME COURSES

Refund Policy for Part-time Programs

1. If we cancel a course, all your fees are totally refunded.
2. If you cannot attend a class that has been rescheduled to a time or place other than advertised, you are entitled to a full refund.
3. If you withdraw from a class before the first scheduled class meeting, a full tuition refund, less a withdrawal fee of \$25, will be made after the withdrawal* is requested in writing.
4. If you withdraw after the first scheduled class meeting but before the second class meeting, one-half of the tuition, less a withdrawal fee

of \$25, will be refunded after withdrawal* is requested in writing.

NOTE: No refunds for any dance or fitness class after the first class begins.
5. All extra costs, such as books or equipment that were not included in tuition price, are not subject to refund.
6. We are unable to provide refunds for requests received after the second scheduled class meeting. Waivers may be granted only under extenuating circumstances which must be detailed in writing within five days of your last day of attendance. If a waiver is granted, it must be used within one calendar year.

Decisions to grant waivers are the prerogative of the WS BOCES administrator whose decision is final.

7. Any overpayment accepted will be totally refunded.
 8. There is a \$25 fee for all returned checks.
 9. Payments made with a credit card will receive refund credit on their credit card, however, any refund made after 120 days will be issued by WS BOCES check regardless of how tuition was paid.
- NOTE:** Every effort is made to provide a timely refund. Processing of refunds may take 45 days after your first scheduled day of class. Refunds will be issued by WSBOCES

check or returned to the credit card used for purchase, if applicable. Our programs are supported entirely by student tuitions. No discounts can be provided. No cash payments will be accepted and no refunds will be made in cash.

**The date of withdrawal is the date/time your request is received at WS BOCES.*

DIAGNOSTIC MEDICAL SONOGRAPHY

Sonography is a key diagnostic tool for a broad array of medical disciplines. Our 24-month program focuses on OB/GYN, abdomen, vascular, echocardiography and breast ultrasound and integrates basic and medical sciences. As a key part of this course, students are placed in supervised clinical experiences in more than 30 diverse clinical sites spanning multiple healthcare systems and several independent agencies from Manhattan to Southampton.

Successful completion of the program leads to a certificate that qualifies all graduates to sit for four registry exams in Abdomen, OB/GYN, Vascular and Adult Echocardiography.

More than 95 percent of our graduates from the past five years are registered by ARDMS in one or more specialty. Financial aid and GI Bill® funds for those who qualify (see page 12).

PRACTICAL NURSING

Today more than ever Licensed Practical Nurses (LPNs) are a trusted and valued part of the health care team. LPNs work hand-in-hand with Registered Nurses and doctors to monitor patients, administer prescribed medications, collect vital signs and patient histories, perform wound care and obtain data collection. We offer more than 15 diverse clinical opportunities across multiple healthcare systems and independent agencies. Students who successfully complete this program are eligible to sit for the National Council State Boards of Nursing exam (NCLEX-PN). Our graduates are highly sought by health care employers and our program is affiliated with a number of Registered Nursing programs, including those at Helene Fuld College of Nursing, Nassau Community College, Suffolk Community College, SUNY Farmingdale, Molloy University and Adelphi University. Financial aid and GI Bill® funds for those who qualify (see page 12). Western Suffolk BOCES is a Northwell NHANCE employee program partner.

RADIOLOGIC TECHNOLOGY

Effective medical treatment relies on accurate diagnosis, which is why the Radiologic Technologist plays such a key role in healthcare. The technologist is responsible for producing images of the body that will be used to detect injury and diagnose disease. As technology advances, radiology equipment and procedures become more complex, sophisticated and specialized and require the expertise of trained professionals. Students who successfully complete the program are eligible to sit for the American Registry of Radiologic Technologist (ARRT) Radiography Certification Examination. Upon passing the exam, the student becomes a certified and registered Radiologic Technologist, allowing them to practice radiology anywhere in the country. With the high demand for Radiologic Technologists, our graduates are highly sought by healthcare employees. The 24-month educational course of study consists of formal didactic lecture in the classroom and a clinical practicum in more than a dozen sites in healthcare systems and independent agencies. Financial aid and GI Bill® funds for those who qualify (see page 12).
