Management has developed protocols to help ensure findings, if identified, of internal control non-compliant items should be reported not only to the individual responsible for the function or activity involved, who is in the position to take corrective action. This process enables that individual to provide needed support or oversight for taking corrective action, and to communicate with others in the organization whose activities may be affected.</p>
Encryption	Data will be encrypted while in motion and at rest.

CONTRACTOR'S DATA PRIVACY AND SECURITY PLAN

The Educational Agency (EA) is required to ensure that all contracts with a third-party contractor include a Data Security and Privacy Plan, pursuant to Education Law § 2-d and Section 121.6 of the Commissioner's Regulations. For every contract, the Contractor must complete the following or provide a plan that materially addresses its requirements, including alignment with the NIST Cybersecurity Framework, which is the standard for educational agency data privacy and security policies in New York state. **While this plan is not required to be posted to the EA's website, contractors should nevertheless ensure that they do not include information that could compromise the security of their data and data systems.**

1	Outline how you will implement applicable data security and privacy contract requirements over the life of the Contract.	Our BAA controls the security of client data through the life of the Contract.
2	Specify the administrative, operational and technical safeguards and practices that you have in place to protect PII.	Our SOC 2 Type 2 report is available upon request.
3	Address the training received by your employees and any subcontractors engaged in the provision of services under the Contract on the federal and state laws that govern the confidentiality of PII.	All Butterfly workforce members are required to complete role based privacy and security awareness training prior to accessing production systems. All Butterfly workforce members are required to retake privacy and security awareness training annually. The Butterfly Security team will also maintain ongoing security awareness campaigns.
4	Outline contracting processes that ensure that your employees and any subcontractors are bound by written agreement to the requirements of the Contract, at a minimum.	All employees and contractors are subject to a confidentiality/non-disclosure agreement prior to start of employment, or services. All employees and contractors are also subject to background checks prior to the start of employment.
5	Specify how you will manage any data security and privacy incidents that implicate PII and describe any specific plans you have in place to identify breaches and/or unauthorized disclosures, and to meet your obligations to report incidents to the EA.	Butterfly Network maintains a documented incident response plan including breach notification requirements as mandated by HIPAA/HITECH. The security Team is responsible for ensuring that this plan is reviewed and updated as necessary no less than annually. Additional Breach Notification requirements are documented in the BAA.
6	Describe how data will be transitioned to the EA when no longer needed by you to meet your contractual obligations, if applicable.	Data uploaded to the Butterfly Cloud is owned and managed by the customer. Data is kept in the Butterfly Cloud indefinitely, or until the customer deletes it. If services were to be terminated, Butterfly Network will continue to allow Customer to view and download their data from the Butterfly Cloud. If feasible, and upon request, we will delete the data.
7	Describe your secure destruction practices and how certification will be provided to the EA.	Butterfly enables a customer to securely delete their own data within the UI of Butterfly Cloud. If a certificate of deletion is required, one may be requested from support@butterflynetwork.com
8	Outline how your data security and privacy program/practices align with the EA's applicable policies.	Please see our SOC 2 Type 2
9	Outline how your data security and privacy program/practices materially align with the NIST CSF v1.1	Please see our SOC 2 Type 2

Western Suffolk BOCES Education Law §2-d Bill of Rights for Data Privacy and Security

Parents (including legal guardians or persons in parental relationships) and Eligible Students (students 18 years and older) can expect the following:

1. A student's personally identifiable information (PII) cannot be sold or released for any Commercial or Marketing purpose. PII, as defined by Education Law § 2-d and the Family Educational Rights and Privacy Act ("FERPA"), includes direct identifiers such as a student's name or identification number, parent's name, or address; and indirect identifiers such as a student's date of birth, which when linked to or combined with other information can be used to distinguish or trace a student's identity. Please see FERPA's regulations at 34 CFR 99.3 for a more complete definition.
2. The right to inspect and review the complete contents of the student's education record stored or maintained by an educational agency. This right may not apply to Parents of an Eligible Student.
3. State and federal laws such as Education Law § 2-d; the Commissioner of Education's Regulations at 8 NYCRR Part 121, FERPA at 12 U.S.C. 1232g (34 CFR Part 99); Children's Online Privacy Protection Act ("COPPA") at 15 U.S.C. 6501-6502 (16 CFR Part 312); Protection of Pupil Rights Amendment ("PPRA") at 20 U.S.C. 1232h (34 CFR Part 98); and the Individuals with Disabilities Education Act ("IDEA") at 20 U.S.C. 1400 et seq. (34 CFR Part 300); protect the confidentiality of a student's identifiable information.
4. Safeguards associated with industry standards and best practices including, but not limited to, encryption, firewalls and password protection must be in place when student PII is stored or transferred.
5. A complete list of all student data elements collected by NYSED is available at www.nysed.gov/data-privacy-security/student-data-inventory and by writing to: Chief Privacy Officer, New York State Education Department, 89 Washington Avenue, Albany, NY 12234.
6. The right to have complaints about possible breaches and unauthorized disclosures of PII addressed. (i) Complaints should be submitted to: dpo@wsboces.org. (ii) Complaints may also be submitted to the NYS Education Department at www.nysed.gov/data-privacy-security/report-improper-disclosure, by mail to: Chief Privacy Officer, New York State Education Department, 89 Washington Avenue, Albany, NY 12234; by email to privacy@nysed.gov; or by telephone at 518-474-0937.
7. To be notified in accordance with applicable laws and regulations if a breach or unauthorized release of PII occurs.
8. Educational agency workers that handle PII will receive training on applicable state and federal laws, policies, and safeguards associated with industry standards and best practices that protect PII.
9. Educational agency contracts with vendors that receive PII will address statutory and regulatory data privacy and security requirements.
