CONTRACTOR'S DATA PRIVACY AND SECURITY PLAN

The Educational Agency (EA) is required to ensure that all contracts with a third-party contractor include a Data Security and Privacy Plan, pursuant to Education Law § 2-d and Section 121.6 of the Commissioner's Regulations. For every contract, the Contractor must complete the following or provide a plan that materially addresses its requirements, including alignment with the NIST Cybersecurity Framework, which is the standard for educational agency data privacy and security policies in New York state. **While this plan is not required to be posted to the EA's website, contractors should nevertheless ensure that they do not include information that could compromise the security of their data and data systems.**

1	Outline how you will implement applicable data security and privacy contract requirements over the life of the Contract.	At Canva, We understand that security is top of mind when selecting a new partner. We also recognize our customers care deeply about data security and data privacy. This is why Canva has taken measures to protect and secure our customer data such as achieving an ISO 27001 Certification in
2	Specify the administrative, operational and technical safeguards and practices that you have in place to protect PII.	At Canva, we take the protection of Personal Identifiable Information very seriously. We implement Access Control measures (both Physical Access and System Authorisation) such as MFA, principle of least privilege, Encryption of data in motion (TLS 1.2+) and at rest (AES 256), Pseudonymisation, and others
3	Address the training received by your employees and any subcontractors engaged in the provision of services under the Contract on the federal and state laws that govern the confidentiality of PII.	All new staff go through an information security fundamentals training session as part of their onboarding, in which staff get basic security training on security policies and processes, personal security, online safety and device management. Continuing staff get refresher training and can follow occasional blog posts and updates. All Subcontractors undergo a security risk assessment to ensure that they meet an
4	Outline contracting processes that ensure that your employees and any subcontractors are bound by written agreement to the requirements of the Contract, at a minimum.	Our employees are required to sign a Confidentiality agreement. Our contracts with subcontractors state the necessary security measures required to be in place along with indemnification clauses.
5	Specify how you will manage any data security and privacy incidents that implicate PII and describe any specific plans you have in place to identify breaches and/or unauthorized disclosures, and to meet your obligations to report incidents to the EA.	Our Incident Response Policy defines the risk events for which incident response plans must be created, documented, tested and reviewed. Our Security Incident Management Procedure provides the high-level process for responding to security incidents, and our Detection & Response team maintains a list of incident response playbooks for specific types of security incidents. Playbooks are reviewed and updated if necessary following security incidents in order to incorporate learnings.
6	Describe how data will be transitioned to the EA when no longer needed by you to meet your contractual obligations, if applicable.	All designs that have been created on Canva can be exported to multiple file types by EA and their users. After all data has been exported, all EA data can be deleted upon request.
7	Describe your secure destruction practices and how certification will be provided to the EA.	Upon Termination and upon request, Canva will purge all data in our databases and backup database that was generated under the EA Canva account. We can provide an email of confirmation that the data was purged.
8	Outline how your data security and privacy program/practices align with the EA's applicable policies.	Please see our Privacy Policy.
9	Outline how your data security and privacy program/practices materially align with the NIST CSF v1.1	As an international organization, Canva aligns with the requirements of ISO 27001, audited and certified, rather than NIST CSF. Please see our Canva Security Whitepaper and our Privacy Policy for our data security and privacy program and practices.

Western Suffolk BOCES Education Law §2-d Bill of Rights for Data Privacy and Security

Parents (including legal guardians or persons in parental relationships) and Eligible Students (students 18 years and older) can expect the following:

1. A student's personally identifiable information (PII) cannot be sold or released for any Commercial or Marketing purpose. PII, as defined by Education Law § 2-d and the Family Educational Rights and Privacy Act ("FERPA"), includes direct identifiers such as a student's name or identification number, parent's name, or address; and indirect identifiers such as a student's date of birth, which when linked to or combined with other information can be used to distinguish or trace a student's identity. Please see FERPA's regulations at 34 CFR 99.3 for a more complete definition.
2. The right to inspect and review the complete contents of the student's education record stored or maintained by an educational agency. This right may not apply to Parents of an Eligible Student.
3. State and federal laws such as Education Law § 2-d; the Commissioner of Education's Regulations at 8 NYCRR Part 121, FERPA at 12 U.S.C. 1232g (34 CFR Part 99); Children's Online Privacy Protection Act ("COPPA") at 15 U.S.C. 6501-6502 (16 CFR Part 312); Protection of Pupil Rights Amendment ("PPRA") at 20 U.S.C. 1232h (34 CFR Part 98); and the Individuals with Disabilities Education Act ("IDEA") at 20 U.S.C. 1400 et seq. (34 CFR Part 300); protect the confidentiality of a student's identifiable information.
4. Safeguards associated with industry standards and best practices including, but not limited to, encryption, firewalls and password protection must be in place when student PII is stored or transferred.
5. A complete list of all student data elements collected by NYSED is available at www.nysed.gov/data-privacy-security/student-data-inventory and by writing to: Chief Privacy Officer, New York State Education Department, 89 Washington Avenue, Albany, NY 12234.
6. The right to have complaints about possible breaches and unauthorized disclosures of PII addressed. (i) Complaints should be submitted to: dpo@wsboces.org. (ii) Complaints may also be submitted to the NYS Education Department at www.nysed.gov/data-privacy-security/report-improper-disclosure, by mail to: Chief Privacy Officer, New York State Education Department, 89 Washington Avenue, Albany, NY 12234; by email to privacy@nysed.gov; or by telephone at 518-474-0937.
7. To be notified in accordance with applicable laws and regulations if a breach or unauthorized release of PII occurs.
8. Educational agency workers that handle PII will receive training on applicable state and federal laws, policies, and safeguards associated with industry standards and best practices that protect PII.
9. Educational agency contracts with vendors that receive PII will address statutory and regulatory data privacy and security requirements.
