**CONTRACTOR'S DATA PRIVACY AND SECURITY PLAN**

The Educational Agency (EA) is required to ensure that all contracts with a third-party contractor include a Data Security and Privacy Plan, pursuant to Education Law § 2-d and Section 121.6 of the Commissioner's Regulations. For every contract, the Contractor must complete the following or provide a plan that materially addresses its requirements, including alignment with the NIST Cybersecurity Framework, which is the standard for educational agency data privacy and security policies in New York state. **While this plan is not required to be posted to the EA's website, contractors should nevertheless ensure that they do not include information that could compromise the security of their data and data systems.**

1	Outline how you will implement applicable data security and privacy contract requirements over the life of the Contract.	We will implement contract requirements through a customer success employee responsible for oversight, performing audits to ensure compliance, and reviewing contract
2	Specify the administrative, operational and technical safeguards and practices that you have in place to protect PII.	Our safeguards include advanced encryption for PII, robust access control mechanisms, and intrusion detection systems. We have strict policies for handling PII, and our systems are
3	Address the training received by your employees and any subcontractors engaged in the provision of services under the Contract on the federal and state laws that govern the confidentiality of PII.	All employees and potential subcontractors receive mandatory training prior to assuming responsibilities and additional training is conducted twice a year and includes updates on any changes to relevant laws or industry best practices.
4	Outline contracting processes that ensure that your employees and any subcontractors are bound by written agreement to the requirements of the Contract, at a minimum.	Our contracting processes require every employee and potential subcontractor to sign a confidentiality agreement that acknowledges the requirements of the Contract, as well as the contract of other school and district partners.
5	Specify how you will manage any data security and privacy incidents that implicate PII and describe any specific plans you have in place to identify breaches and/or unauthorized disclosures, and to meet your obligations to report incidents to the EA.	Our incident management plan includes steps to identify, analyze, and respond to security incidents implicating PII. We will promptly report incidents to the EA, while simultaneously taking necessary steps to prevent further unauthorized access or breaches.
6	Describe how data will be transitioned to the EA when no longer needed by you to meet your contractual obligations, if applicable.	The exact format will be agreed upon by both parties, as described above. We will coordinate with the EA to ensure a smooth and secure transition of data.
7	Describe your secure destruction practices and how certification will be provided to the EA.	Secure destruction practices mean preventing recovery. We provide certification upon completion of the process.
8	Outline how your data security and privacy program/practices align with the EA's applicable policies.	Our data security and privacy practices are aligned with the NIST Cybersecurity Framework.

# Western Suffolk BOCES Education Law §2-d Bill of Rights for Data Privacy and Security

Parents (including legal guardians or persons in parental relationships) and Eligible Students (students 18 years and older) can expect the following:

1. A student's personally identifiable information (PII) cannot be sold or released for any Commercial or Marketing purpose. PII, as defined by Education Law § 2-d and the Family Educational Rights and Privacy Act ("FERPA"), includes direct identifiers such as a student's name or identification number, parent's name, or address; and indirect identifiers such as a student's date of birth, which when linked to or combined with other information can be used to distinguish or trace a student's identity. Please see FERPA's regulations at 34 CFR 99.3 for a more complete definition.
2. The right to inspect and review the complete contents of the student's education record stored or maintained by an educational agency. This right may not apply to Parents of an Eligible Student.
3. State and federal laws such as Education Law § 2-d; the Commissioner of Education's Regulations at 8 NYCRR Part 121, FERPA at 12 U.S.C. 1232g (34 CFR Part 99); Children's Online Privacy Protection Act ("COPPA") at 15 U.S.C. 6501-6502 (16 CFR Part 312); Protection of Pupil Rights Amendment ("PPRA") at 20 U.S.C. 1232h (34 CFR Part 98); and the Individuals with Disabilities Education Act ("IDEA") at 20 U.S.C. 1400 et seq. (34 CFR Part 300); protect the confidentiality of a student's identifiable information.
4. Safeguards associated with industry standards and best practices including, but not limited to, encryption, firewalls and password protection must be in place when student PII is stored or transferred.
5. A complete list of all student data elements collected by NYSED is available at [www.nysed.gov/data-privacy-security/student-data-inventory](http://www.nysed.gov/data-privacy-security/student-data-inventory) and by writing to: Chief Privacy Officer, New York State Education Department, 89 Washington Avenue, Albany, NY 12234.
6. The right to have complaints about possible breaches and unauthorized disclosures of PII addressed. (i) Complaints should be submitted to: [dpo@wsboces.org](mailto:dpo@wsboces.org). (ii) Complaints may also be submitted to the NYS Education Department at [www.nysed.gov/data-privacy-security/report-improper-disclosure](http://www.nysed.gov/data-privacy-security/report-improper-disclosure), by mail to: Chief Privacy Officer, New York State Education Department, 89 Washington Avenue, Albany, NY 12234; by email to [privacy@nysed.gov](mailto:privacy@nysed.gov); or by telephone at 518-474-0937.
7. To be notified in accordance with applicable laws and regulations if a breach or unauthorized release of PII occurs.
8. Educational agency workers that handle PII will receive training on applicable state and federal laws, policies, and safeguards associated with industry standards and best practices that protect PII.
9. Educational agency contracts with vendors that receive PII will address statutory and regulatory data privacy and security requirements.
