CONTRACTOR'S DATA PRIVACY AND SECURITY PLAN

The Educational Agency (EA) is required to ensure that all contracts with a third-party contractor include a Data Security and Privacy Plan, pursuant to Education Law § 2-d and Section 121.6 of the Commissioner's Regulations. For every contract, the Contractor must complete the following or provide a plan that materially addresses its requirements, including alignment with the NIST Cybersecurity Framework, which is the standard for educational agency data privacy and security policies in New York state. **While this plan is not required to be posted to the EA's website, contractors should nevertheless ensure that they do not include information that could compromise the security of their data and data systems.**

1	Outline how you will implement applicable data security and privacy contract requirements over the life of the Contract.	KbPort strives to adhere to NIST cybersecurity standards across all solutions, whether exclusively on-premise, hybrid, or cloud-based.
2	Specify the administrative, operational and technical safeguards and practices that you have in place to protect PII.	SimEMR is a cloud-based service hosted in a multi-tenant environment via Microsoft Azure and utilizes network and data security provided by Azure Security Center.
3	Address the training received by your employees and any subcontractors engaged in the provision of services under the Contract on the federal and state laws that govern the confidentiality of PII.	KbPort employees receive comprehensive training in cybersecurity, data privacy, online privacy. KbPort employees also receive training on all company policies, especially those related to the handling and confidentiality of customer data.
4	Outline contracting processes that ensure that your employees and any subcontractors are bound by written agreement to the requirements of the Contract, at a minimum.	KbPort does not use subcontractors. Under the terms of employment, all KbPort employees are bound to the policies set forth by KbPort's employee handbook and all issued company policies.
5	Specify how you will manage any data security and privacy incidents that implicate PII and describe any specific plans you have in place to identify breaches and/or unauthorized disclosures, and to meet your obligations to report incidents to the EA.	A senior executive of KbPort will notify a senior member of EAs leadership team within 24 hours of confirmation of the event and would include the known relevant details. The EA and KbPort will work cooperatively in determining an action plan, including any required notification of affected persons.
6	Describe how data will be transitioned to the EA when no longer needed by you to meet your contractual obligations, if applicable.	KbPort works in accordance with the terms of the EAs contract, to provide backup copies of the institution's data when required/requested.
7	Describe your secure destruction practices and how certification will be provided to the EA.	KbPort shall ensure that it disposes of any and all data or information received from EA in a commercially reasonable manner. Written cert available upon request.
8	Outline how your data security and privacy program/practices align with the EA's applicable policies.	KbPort offers mechanisms to support client-driven security analysis and has a strong reputation for collaboration with clients to meet client-specific or specialized needs.
9	Outline how your data security and privacy program/practices materially align with the NIST CSF v1.1	KbPort strives to adhere to NIST cybersecurity standards across all solutions, whether exclusively on-premise, hybrid, or cloud-based.

Western Suffolk BOCES Education Law §2-d Bill of Rights for Data Privacy and Security

Parents (including legal guardians or persons in parental relationships) and Eligible Students (students 18 years and older) can expect the following:

1. A student's personally identifiable information (PII) cannot be sold or released for any Commercial or Marketing   purpose. PII, as defined by Education Law § 2-d and the Family Educational Rights and Privacy Act ("FERPA"), includes direct identifiers such as a student's name or identification number, parent's name, or address; and indirect identifiers such as a student's date of birth, which when linked to or combined with other information can be used to distinguish or trace a student's identity. Please see FERPA's regulations at 34 CFR 99.3 for a more complete definition.

2. The right to inspect and review the complete contents of the student's education record stored or maintained by an educational agency. This right may not apply to Parents of an Eligible Student.

3. State and federal laws such as Education Law § 2-d; the Commissioner of Education's Regulations at 8 NYCRR Part 121, FERPA at 12 U.S.C. 1232g (34 CFR Part 99); Children's Online Privacy Protection Act ("COPPA") at 15 U.S.C. 6501-6502 (16 CFR Part 312); Protection of Pupil Rights Amendment ("PPRA") at 20 U.S.C. 1232h (34 CFR Part 98); and the Individuals with Disabilities Education Act ("IDEA") at 20 U.S.C. 1400 et seq. (34 CFR Part 300); protect the confidentiality of a student's identifiable information.

4. Safeguards associated with industry standards and best practices including, but not limited to, encryption, firewalls and password protection must be in place when student PII is stored or transferred.

5. A complete list of all student data elements collected by NYSED is available at www.nysed.gov/data-privacy-security/student-data-inventory and by writing to: Chief Privacy Officer, New York State Education Department, 89 Washington Avenue, Albany, NY 12234.

6. The right to have complaints about possible breaches and unauthorized disclosures of PII addressed. (i) Complaints should be submitted to: dpo@wsboces.org . (ii) Complaints may also be submitted to the NYS Education Department at www.nysed.gov/data-privacy-security/report-improper-disclosure, by mail to: Chief Privacy Officer, New York State Education Department, 89 Washington Avenue, Albany, NY 12234; by email to privacy@nysed.gov; or by telephone at 518-474-0937.

7. To be notified in accordance with applicable laws and regulations if a breach or unauthorized release of PII occurs.

8. Educational agency workers that handle PII will receive training on applicable state and federal laws, policies, and safeguards associated with industry standards and best practices that protect PII.

9. Educational agency contracts with vendors that receive PII will address statutory and regulatory data privacy and security requirements.
