**CONTRACTOR'S DATA PRIVACY AND SECURITY PLAN**

The Educational Agency (EA) is required to ensure that all contracts with a third-party contractor include a Data Security and Privacy Plan, pursuant to Education Law § 2-d and Section 121.6 of the Commissioner's Regulations. For every contract, the Contractor must complete the following or provide a plan that materially addresses its requirements, including alignment with the NIST Cybersecurity Framework, which is the standard for educational agency data privacy and security policies in New York state. **While this plan is not required to be posted to the EA's website, contractors should nevertheless ensure that they do not include information that could compromise the security of their data and data systems.**

1	Outline how you will implement applicable data security and privacy contract requirements over the life of the Contract.	The security measures outlined in the Secure Storage and Data Security section of the Supplemental Information are applicable over the life of the Contract.
2	Specify the administrative, operational and technical safeguards and practices that you have in place to protect PII.	Outlined in the Secure Storage and Data Security section of the Supplemental Information. Furthermore, Edpuzzle has been certified by KeepSafe for compliance with FERPA, COPPA and CSCP.
3	Address the training received by your employees and any subcontractors engaged in the provision of services under the Contract on the federal and state laws that govern the confidentiality of PII.	During their tenure, all employees are required to complete a refresh of privacy and security training at least annually, and to acknowledge that they have read and will follow Edpuzzle's information security policies at least annually. Subcontractors are required to agree in writing to comply with data protection obligations consistent with those applicable to Edpuzzle under applicable laws and regulations, including the obligation to provide training on privacy and security training to their employees.
4	Outline contracting processes that ensure that your employees and any subcontractors are bound by written agreement to the requirements of the Contract, at a minimum.	Employees are informed that failure to comply with acknowledged policies may result in consequences, including termination of employment. Subcontractors' obligation to agree in writing prior to disclosure is outlined in the previous section.
5	Specify how you will manage any data security and privacy incidents that implicate PII and describe any specific plans you have in place to identify breaches and/or unauthorized disclosures, and to meet your obligations to report incidents to the EA.	Please consult our Privacy Policy, available at <a href="https://edpuzzle.com/privacy">https://edpuzzle.com/privacy</a> , under section "How would Edpuzzle deal with a security breach?". This document and the Terms available at <a href="https://edpuzzle.com/terms">https://edpuzzle.com/terms</a> are applicable to all data shared under the Contract.
6	Describe how data will be transitioned to the EA when no longer needed by you to meet your contractual obligations, if applicable.	Student Gradebooks (names, responses, results and grades obtained by students in their assignments) will be available for the EA to download at any time prior to deletion in a standard exportation format such as, but not limited to, .csv or .json.
7	Describe your secure destruction practices and how certification will be provided to the EA.	In accordance with our Privacy Policy and as detailed therein, in the event that PII is no longer needed for the specific purpose for which it was provided, PII shall be destroyed as per best practices for data destruction using commercially reasonable care, security procedures and practices.
8	Outline how your data security and privacy program/practices align with the EA's applicable policies.	For this and further information on our privacy program and practices, please consult our Privacy Policy, available at <a href="https://edpuzzle.com/privacy">https://edpuzzle.com/privacy</a>
9	Outline how your data security and privacy program/practices materially align with the NIST CSF v1.1	For this and further information on our privacy program and practices, please consult our Privacy Policy, available at <a href="https://edpuzzle.com/privacy">https://edpuzzle.com/privacy</a>

## Western Suffolk BOCES Education Law §2-d Bill of Rights for Data Privacy and Security

Parents (including legal guardians or persons in parental relationships) and Eligible Students (students 18 years and older) can expect the following:

1. A student's personally identifiable information (PII) cannot be sold or released for any Commercial or Marketing purpose. PII, as defined by Education Law § 2-d and the Family Educational Rights and Privacy Act ("FERPA"), includes direct identifiers such as a student's name or identification number, parent's name, or address; and indirect identifiers such as a student's date of birth, which when linked to or combined with other information can be used to distinguish or trace a student's identity. Please see FERPA's regulations at 34 CFR 99.3 for a more complete definition.
2. The right to inspect and review the complete contents of the student's education record stored or maintained by an educational agency. This right may not apply to Parents of an Eligible Student.
3. State and federal laws such as Education Law § 2-d; the Commissioner of Education's Regulations at 8 NYCRR Part 121, FERPA at 12 U.S.C. 1232g (34 CFR Part 99); Children's Online Privacy Protection Act ("COPPA") at 15 U.S.C. 6501-6502 (16 CFR Part 312); Protection of Pupil Rights Amendment ("PPRA") at 20 U.S.C. 1232h (34 CFR Part 98); and the Individuals with Disabilities Education Act ("IDEA") at 20 U.S.C. 1400 et seq. (34 CFR Part 300); protect the confidentiality of a student's identifiable information.
4. Safeguards associated with industry standards and best practices including, but not limited to, encryption, firewalls and password protection must be in place when student PII is stored or transferred.
5. A complete list of all student data elements collected by NYSED is available at [www.nysed.gov/data-privacy-security/student-data-inventory](http://www.nysed.gov/data-privacy-security/student-data-inventory) and by writing to: Chief Privacy Officer, New York State Education Department, 89 Washington Avenue, Albany, NY 12234.
6. The right to have complaints about possible breaches and unauthorized disclosures of PII addressed. (i) Complaints should be submitted to: [dpo@wsboces.org](mailto:dpo@wsboces.org). (ii) Complaints may also be submitted to the NYS Education Department at [www.nysed.gov/data-privacy-security/report-improper-disclosure](http://www.nysed.gov/data-privacy-security/report-improper-disclosure), by mail to: Chief Privacy Officer, New York State Education Department, 89 Washington Avenue, Albany, NY 12234; by email to [privacy@nysed.gov](mailto:privacy@nysed.gov); or by telephone at 518-474-0937.
7. To be notified in accordance with applicable laws and regulations if a breach or unauthorized release of PII occurs.
8. Educational agency workers that handle PII will receive training on applicable state and federal laws, policies, and safeguards associated with industry standards and best practices that protect PII.
9. Educational agency contracts with vendors that receive PII will address statutory and regulatory data privacy and security requirements.
