CONTRACTOR'S DATA PRIVACY AND SECURITY PLAN

The Educational Agency (EA) is required to ensure that all contracts with a third-party contractor include a Data Security and Privacy Plan, pursuant to Education Law § 2-d and Section 121.6 of the Commissioner's Regulations. For every contract, the Contractor must complete the following or provide a plan that materially addresses its requirements, including alignment with the NIST Cybersecurity Framework, which is the standard for educational agency data privacy and security policies in New York state. **While this plan is not required to be posted to the EA's website, contractors should nevertheless ensure that they do not include information that could compromise the security of their data and data systems.**

1	Outline how you will implement applicable data security and privacy contract requirements over the life of the Contract.	1. Contractor will implement applicable state, federal and local data security and privacy contract requirements over the life of the Contract and only use PII in accordance with the contract and applicable laws pertaining to data privacy including Ed. Law 2-d.
2	Specify the administrative, operational and technical safeguards and practices that you have in place to protect PII.	2. Ed.com employs automated log collection and audit trails for production systems. Connections originating from untrusted network segments will be governed by firewall rules and other security safeguards that grant minimal access required to access the intended service. Systems passwords and access keys are stored
3	Address the training received by your employees and any subcontractors engaged in the provision of services under the Contract on the federal and state laws that govern the confidentiality of PII.	3. Contractor shall ensure that all its employees and subcontractors who have access to PII have received or will receive training on the federal and state laws governing confidentiality
4	Outline contracting processes that ensure that your employees and any subcontractors are bound by written agreement to the requirements of the Contract, at a minimum.	4. Contractor seeks out service providers that share their commitment to maintaining the privacy and security of personal data and requires subprocessors to respect the user data to the same or greater degree. A variety of physical, administrative and technological safeguards have been designed to preserve the integrity and security of the personal information that is collected. These include reviews of data
5	Specify how you will manage any data security and privacy incidents that implicate PII and describe any specific plans you have in place to identify breaches and/or unauthorized disclosures, and to meet your obligations to report incidents to the EA.	5. Security incident management policies will, to the extent permitted by law, promptly notify customers of any unauthorized disclosure of PII. The response plan includes policies and procedures to detect, respond to and address security incidents, including procedures to monitor systems and detect actual and attempted attacks or intrusions into personal data or information systems
6	Describe how data will be transitioned to the EA when no longer needed by you to meet your contractual obligations, if applicable.	6 and 7. Unless otherwise directed by a school or parent, contractor will delete or de-identify personal information of student and child users after a period of inactivity, termination or cancellation of license subscription or after termination of an agreement with the school, in accordance with the terms of any applicable
7	Describe your secure destruction practices and how certification will be provided to the EA.	See above
8	Outline how your data security and privacy program/practices align with the EA's applicable policies.	Education.com's practices are designed and implemented with the goal of maximizing the security and privacy of all customer data. This includes limiting access to EA data to employees with a business need and encrypting all data in transit and at rest.
9	Outline how your data security and privacy program/practices materially align with the NIST CSF v1.1	Education.com has policies in place to align with the NIST CSF v1.1. Please contact Ed.com at compliance@ixl.com for a copy of the policy or if more information is needed.

Western Suffolk BOCES Education Law §2-d Bill of Rights for Data Privacy and Security

Parents (including legal guardians or persons in parental relationships) and Eligible Students (students 18 years and older) can expect the following:

1. A student's personally identifiable information (PII) cannot be sold or released for any Commercial or Marketing purpose. PII, as defined by Education Law § 2-d and the Family Educational Rights and Privacy Act ("FERPA"), includes direct identifiers such as a student's name or identification number, parent's name, or address; and indirect identifiers such as a student's date of birth, which when linked to or combined with other information can be used to distinguish or trace a student's identity. Please see FERPA's regulations at 34 CFR 99.3 for a more complete definition.
2. The right to inspect and review the complete contents of the student's education record stored or maintained by an educational agency. This right may not apply to Parents of an Eligible Student.
3. State and federal laws such as Education Law § 2-d; the Commissioner of Education's Regulations at 8 NYCRR Part 121, FERPA at 12 U.S.C. 1232g (34 CFR Part 99); Children's Online Privacy Protection Act ("COPPA") at 15 U.S.C. 6501-6502 (16 CFR Part 312); Protection of Pupil Rights Amendment ("PPRA") at 20 U.S.C. 1232h (34 CFR Part 98); and the Individuals with Disabilities Education Act ("IDEA") at 20 U.S.C. 1400 et seq. (34 CFR Part 300); protect the confidentiality of a student's identifiable information.
4. Safeguards associated with industry standards and best practices including, but not limited to, encryption, firewalls and password protection must be in place when student PII is stored or transferred.
5. A complete list of all student data elements collected by NYSED is available at www.nysed.gov/data-privacy-security/student-data-inventory and by writing to: Chief Privacy Officer, New York State Education Department, 89 Washington Avenue, Albany, NY 12234.
6. The right to have complaints about possible breaches and unauthorized disclosures of PII addressed. (i) Complaints should be submitted to: dpo@wsboces.org. (ii) Complaints may also be submitted to the NYS Education Department at www.nysed.gov/data-privacy-security/report-improper-disclosure, by mail to: Chief Privacy Officer, New York State Education Department, 89 Washington Avenue, Albany, NY 12234; by email to privacy@nysed.gov; or by telephone at 518-474-0937.
7. To be notified in accordance with applicable laws and regulations if a breach or unauthorized release of PII occurs.
8. Educational agency workers that handle PII will receive training on applicable state and federal laws, policies, and safeguards associated with industry standards and best practices that protect PII.
9. Educational agency contracts with vendors that receive PII will address statutory and regulatory data privacy and security requirements.
