Students will prepare for the New York State Department of State examinations.

Course Goals/Objectives:

Upon successful completion of this program, the student will have acquired the competencies necessary to perform the duties of an Esthetician, take and pass the New York State written and practical examinations for licensing and demonstrate competent professional entry-level skills.

Instructional Methods Used

Discussion, question and answer, demonstration, cooperative learning, problem solving, lecture, individualized instruction, student presentation. Appropriate training aids and audiovisual materials are used to supplement the instructional process.

Grading Procedures

Evaluation of the student's progress will be made through the use of quizzes, unit tests, practical examinations, class projects, assignment sheets and charts. The final grade will be based on $\frac{1}{3}$ written evaluation and $\frac{2}{3}$ practical evaluation

Satisfactory Academic Performance Policy, Esthetics Training Program

Students will have a formal evaluation of their academic progress at 300 scheduled hours. Students who meet the minimum requirements for attendance and academic performance are considered to be making satisfactory academic progress until the next scheduled evaluation. Students who come under "Warning" status may come out from under that status by meeting minimum attendance and academic requirements by the time of the subsequent evaluation period. Title IV funding will continue until the next evaluation period following a first "Warning" issuance. If a student receives a subsequent warning status, he/she will no longer be eligible for Title IV funding.

Students may be granted a leave of absence from their program for reason deemed acceptable and necessary. If enrollment is temporarily interrupted for a leave of absence, the student will return to school in the same progress status as he or she had prior to the leave of absence. Hours elapsed during a leave of absence will extend the student's contract period and maximum time frame by the same number of days taken in the leave of absence and will not be included in the student's cumulative attendance percentage calculation. Being granted a leave of absence in no way reduces the obligation on the part of the student to complete his or her program in the allotted time frame. All programs must be completed within the 150% timeframe of the program's scheduled hours.

Students who withdraw prior to completion of the course and wish to re-enroll will return in the same satisfactory academic progress status as at the time of withdrawal, assuming there is adequate time left to complete the program within the 150% timeframe. Noncredit, remedial, and repeated courses do not apply to the Satisfactory Academic Performance evaluation criteria at this institution.

Transfer hours from another institution that are accepted toward the student's educational program are counted as both attempted and completed hours for the purpose of determining when the allowable maximum timeframe has been exhausted. With regard to Satisfactory Academic Progress, a student's transfer hours will be counted as both attempted and earned hours for the purpose of determining when the allowable maximum time frame has been exhausted.

Students in the Esthetics Training Program must maintain a minimum grade of 75%

and a minimum attendance record of 75%. All missed classes, modules and sections must be made up and they must be made up within the 150% time constraint.

Satisfactory Academic Progress

To earn a certificate of completion, Western Suffolk BOCES has established criteria for both attendance and academic progress that students must meet at www.wsboces.org/esthetics-sap.

To remain in good standing, each module in the Esthetics Program must be completed with an academic grade average of 75% (C) and an attendance average of 90%.

Minimum hours of attendance need to pass each module are 90% of scheduled hours. If this minimum is not met, an incomplete (Inc) or dismissal from the program may result.

Adult learners must act as their own agents of knowledge and skill acquisition. It is essential that they be personally involved in their own success.

Self-direction will be required of you as you develop critical thinking skills and develop an interdependent learning relationship. This interdependent learning relationship will facilitate your ability to acquire the knowledge and professionalism necessary to become an integral part of the team.

Complaints and Grievances by Students in Adult Programs

Western Suffolk BOCES has developed these procedures for adults to follow in regard to disciplinary actions, suspensions, unfavorable evaluations and dismissals related to programs/services for adults. The goal is to secure as rapidly and equitably as possible a resolution to the "grievance."

DEFINITIONS:

- "GRIEVANCE" is an event or condition related to the student's classroom or practical achievement, disciplinary action and/or appeal requiring attention.
- "DAYS" refers to working school days.

GRIEVANCE PROCEDURE:

LEVEL I: The student will discuss the event with those directly involved in the problem. For example, if the problem is relevant to the adult's coursework, the student should speak to the teacher. Alternatively, evening students can discuss the issue with the evening Supervisor; day students can meet with a counselor in an attempt to resolve the problem; students in the health programs can speak to the appropriate administrator.

LEVEL II: If the problem is not resolved or the student is not satisfied with the disposition of the grievance at Level I the grievance may, within two days, be filed in writing. Request a Student Grievance Form from the Adult Education or Health Careers Offices. Complete the Grievance Form and return to the the appropriate administrator. An official grievance should state:

- a. Name of aggrieved party
- b. Reason(s) for grievance with statement of nature and facts of grievance including date concern first arose and events or conditions which constitute the grievance.
- c. Statement of redress sought by aggrieved party.
- d. School representative with whom the aggrieved party met and reason for dissatisfaction with the results of Level I.

The Principal shall within two days of receipt of the written grievance meet with the student in an effort to resolve the grievance. If the student is not satisfied with the disposition of the grievance at Level II or in the event that no decision has been rendered, the student shall forward the written grievance within two days to the Executive Director of Career and Technical Education.

LEVEL III: The Executive Director of Career and Technical Education shall within two days of receipt of the written grievance schedule a meeting of the Grievance Appeal Committee which is composed of the appropriate administrator, a member of the faculty and a student representative. The committee will meet with the student in an effort to resolve the grievance.

If the student is not satisfied with the disposition of the Grievance at Level III or in the event that no decision has been rendered, the student may file the grievance within two days in writing with the Senior Executive Director.

LEVEL IV: The Senior Executive Director or his representative shall, within four days of receipt of the written grievance, meet with the student in an effort to resolve the grievance. The Senior Executive Director has four days from the date of the meeting to render a decision.

LEVEL V: If the student deems the grievance is not resolved at the Senior Executive Director level, the written grievance and all decisions shall be forwarded to the Chief Operating Officer who will make a final decision within 15 school days.

LEVEL VI: If the student deems the grievance is not resolved at the Chief Operating Officer level, the student may contact the Council on Occupational Education (COE),

7840 Roswell Rd. Building 300, Suite 325, Atlanta, GA 30350. The telephone number is 770-396-3898, fax 770-396-3790 and website is www.council.org. The student should use the official Complaint Certification Form which is available from supervisors in the Adult Education or Health Careers Offices. After the complainant contacts the COE, he/she will receive a letter acknowledging receipt of complaint.

NOTE: At any point in the procedure, the student may request, in writing, the presence of one peer or an ombudsman of his or her choice. Western Suffolk BOCES will maintain written records of all complaints filed through two complete accreditation cycles.

What if I do not have a high school diploma?

Students must meet one of the following criteria:

- a. proof of a United States high school diploma or equivalent, or, if from a war-torn country, a self-certifying letter
- b. an authorized evaluation of credentials if from another country

Each applicant must schedule a meeting with the Training Coordinator who will review documentation and determine eligibility for the program.
