**CONTRACTOR'S DATA PRIVACY AND SECURITY PLAN**

The Educational Agency (EA) is required to ensure that all contracts with a third-party contractor include a Data Security and Privacy Plan, pursuant to Education Law § 2-d and Section 121.6 of the Commissioner's Regulations. For every contract, the Contractor must complete the following or provide a plan that materially addresses its requirements, including alignment with the NIST Cybersecurity Framework, which is the standard for educational agency data privacy and security policies in New York state. **While this plan is not required to be posted to the EA's website, contractors should nevertheless ensure that they do not include information that could compromise the security of their data and data systems.**

1	Outline how you will implement applicable data security and privacy contract requirements over the life of the Contract.	Keep up to date on additions, changes and revisions to the Data Privacy policies and guidelines pertaining to contractors.
2	Specify the administrative, operational and technical safeguards and practices that you have in place to protect PII.	Access to the system can only be gained via company owned devices · Use strong complex password to access the system holding PII
3	Address the training received by your employees and any subcontractors engaged in the provision of services under the Contract on the federal and state laws that govern the confidentiality of PII.	All active employees and subcontractors must complete an annual security and compliance in-service training session and attest to comply with the policies and procedures
4	Outline contracting processes that ensure that your employees and any subcontractors are bound by written agreement to the requirements of the Contract, at a minimum.	All active subcontractors must sign a Business Associate agreement. Provided anyone who has access to the application with Mill Neck's P&P and have them agree to the terms and conditions on an annual basis via a sign
5	Specify how you will manage any data security and privacy incidents that implicate PII and describe any specific plans you have in place to identify breaches and/or unauthorized disclosures, and to meet your obligations to report incidents to the EA.	An incident system is used to capture all information for reporting, investigating, interviewing and documenting the full incident lifecycle.
6	Describe how data will be transitioned to the EA when no longer needed by you to meet your contractual obligations, if applicable.	Data is siloed in self-contained databases as well as archived based upon our backup procedures.
7	Describe your secure destruction practices and how certification will be provided to the EA.	We follow the NIST 800-888 standard when we need to dispose of our hard disk drives. A certification will be issued by our disk destruction vendor.
8	Outline how your data security and privacy program/practices align with the EA's applicable policies.	User accounts are assigned to each individual and do not possess the privilege sets of administrative accounts. They are not to be shared with anyone else.
9	Outline how your data security and privacy program/practices materially align with the NIST CSF v1.1	We review & compare all of our policies & procedures with NIST CSF and align & update them.

## Western Suffolk BOCES Education Law §2-d Bill of Rights for Data Privacy and Security

Parents (including legal guardians or persons in parental relationships) and Eligible Students (students 18 years and older) can expect the following:

1. A student's personally identifiable information (PII) cannot be sold or released for any Commercial or Marketing purpose. PII, as defined by Education Law § 2-d and the Family Educational Rights and Privacy Act ("FERPA"), includes direct identifiers such as a student's name or identification number, parent's name, or address; and indirect identifiers such as a student's date of birth, which when linked to or combined with other information can be used to distinguish or trace a student's identity. Please see FERPA's regulations at 34 CFR 99.3 for a more complete definition.
2. The right to inspect and review the complete contents of the student's education record stored or maintained by an educational agency. This right may not apply to Parents of an Eligible Student.
3. State and federal laws such as Education Law § 2-d; the Commissioner of Education's Regulations at 8 NYCRR Part 121, FERPA at 12 U.S.C. 1232g (34 CFR Part 99); Children's Online Privacy Protection Act ("COPPA") at 15 U.S.C. 6501-6502 (16 CFR Part 312); Protection of Pupil Rights Amendment ("PPRA") at 20 U.S.C. 1232h (34 CFR Part 98); and the Individuals with Disabilities Education Act ("IDEA") at 20 U.S.C. 1400 et seq. (34 CFR Part 300); protect the confidentiality of a student's identifiable information.
4. Safeguards associated with industry standards and best practices including, but not limited to, encryption, firewalls and password protection must be in place when student PII is stored or transferred.
5. A complete list of all student data elements collected by NYSED is available at [www.nysed.gov/data-privacy-security/student-data-inventory](http://www.nysed.gov/data-privacy-security/student-data-inventory) and by writing to: Chief Privacy Officer, New York State Education Department, 89 Washington Avenue, Albany, NY 12234.
6. The right to have complaints about possible breaches and unauthorized disclosures of PII addressed. (i) Complaints should be submitted to: [dpo@wsboces.org](mailto:dpo@wsboces.org). (ii) Complaints may also be submitted to the NYS Education Department at [www.nysed.gov/data-privacy-security/report-improper-disclosure](http://www.nysed.gov/data-privacy-security/report-improper-disclosure), by mail to: Chief Privacy Officer, New York State Education Department, 89 Washington Avenue, Albany, NY 12234; by email to [privacy@nysed.gov](mailto:privacy@nysed.gov); or by telephone at 518-474-0937.
7. To be notified in accordance with applicable laws and regulations if a breach or unauthorized release of PII occurs.
8. Educational agency workers that handle PII will receive training on applicable state and federal laws, policies, and safeguards associated with industry standards and best practices that protect PII.
9. Educational agency contracts with vendors that receive PII will address statutory and regulatory data privacy and security requirements.
