CONTRACTOR'S DATA PRIVACY AND SECURITY PLAN

The Educational Agency (EA) is required to ensure that all contracts with a third-party contractor include a Data Security and Privacy Plan, pursuant to Education Law § 2-d and Section 121.6 of the Commissioner's Regulations. For every contract, the Contractor must complete the following or provide a plan that materially addresses its requirements, including alignment with the NIST Cybersecurity Framework, which is the standard for educational agency data privacy and security policies in New York state. **While this plan is not required to be posted to the EA's website, contractors should nevertheless ensure that they do not include information that could compromise the security of their data and data systems.**

1	Outline how you will implement applicable data security and privacy contract requirements over the life of the Contract.	All OYOCLASS files and data are backed up every 24 hours to prevent loss of data to the greatest degree possible, as caused by equipment failure, natural disasters or nefarious outcomes.
2	Specify the administrative, operational and technical safeguards and practices that you have in place to protect PII.	OYOCLASS provides our clients with access control methods which may be custom deployed by clients, and provide different internal staff with different levels of access to the information resources within OYOCLASS. These same access controls are used by OYOCLASS with our own internal staff relationships to provision
3	Address the training received by your employees and any subcontractors engaged in the provision of services under the Contract on the federal and state laws that govern the confidentiality of PII.	Subcontractors, persons or entities with which OYOCLASS will share Protected Data, if any, will abide by the requirements of this data security and privacy plan, and any contractual obligations with respect to Protected Data set forth in the agreement with the disclosing party. Internal access to Protected Data shall be limited to those individuals that are determined to have legitimate educational interests.
4	Outline contracting processes that ensure that your employees and any subcontractors are bound by written agreement to the requirements of the Contract, at a minimum.	All OYOCLASS representatives, employees, contractors will be required to sign a non-disclosure and confidentiality Agreement prior to working with client data. An educational process will include training internal staff on the appropriate methods of accessing secured data, interacting with secured data, and participating in secure learning communities where data is being created and used by clients.
5	Specify how you will manage any data security and privacy incidents that implicate PII and describe any specific plans you have in place to identify breaches and/or unauthorized disclosures, and to meet your obligations to report incidents to the EA.	Each of the facilities we co-locate with enforces multiple layers of security via a variety of technological and human measures. Beyond that, all our equipment is in locked cages. We enforce strict filtering rules to ensure that all server nodes can only communicate using their allowed IP addresses. This prevents nodes from spoofing other nodes' IPs or performing man-in-the-middle attacks on our private network. Our server resources themselves operate within KVM or Xen virtualization, which ensures that each node has its own kernel and userspace which are fully separate from other nodes. This ensures that a malicious node cannot access
6	Describe how data will be transitioned to the EA when no longer needed by you to meet your contractual obligations, if applicable.	OYOCLASS provides our clients with access control methods which may be custom deployed by clients, and provide different internal staff with different levels of access to the information resources within OYOCLASS. These same access controls are used by OYOCLASS with our own internal staff relationships to provision
7	Describe your secure destruction practices and how certification will be provided to the EA.	described in field 6
8	Outline how your data security and privacy program/practices align with the EA's applicable policies.	Protected Data shall not be used for any other purposes than those explicitly authorized by contract with an educational agency. Protected Data shall not be re-disclosed to any third-party (i) without the prior written consent of the parent of eligible student, or (ii) unless
9	Outline how your data security and privacy program/practices materially align with the NIST CSF v1.1	I believe that this is covered in our full privacy policy provided on the first page

Western Suffolk BOCES Education Law §2-d Bill of Rights for Data Privacy and Security

Parents (including legal guardians or persons in parental relationships) and Eligible Students (students 18 years and older) can expect the following:

1. A student's personally identifiable information (PII) cannot be sold or released for any Commercial or Marketing purpose. PII, as defined by Education Law § 2-d and the Family Educational Rights and Privacy Act ("FERPA"), includes direct identifiers such as a student's name or identification number, parent's name, or address; and indirect identifiers such as a student's date of birth, which when linked to or combined with other information can be used to distinguish or trace a student's identity. Please see FERPA's regulations at 34 CFR 99.3 for a more complete definition.
2. The right to inspect and review the complete contents of the student's education record stored or maintained by an educational agency. This right may not apply to Parents of an Eligible Student.
3. State and federal laws such as Education Law § 2-d; the Commissioner of Education's Regulations at 8 NYCRR Part 121, FERPA at 12 U.S.C. 1232g (34 CFR Part 99); Children's Online Privacy Protection Act ("COPPA") at 15 U.S.C. 6501-6502 (16 CFR Part 312); Protection of Pupil Rights Amendment ("PPRA") at 20 U.S.C. 1232h (34 CFR Part 98); and the Individuals with Disabilities Education Act ("IDEA") at 20 U.S.C. 1400 et seq. (34 CFR Part 300); protect the confidentiality of a student's identifiable information.
4. Safeguards associated with industry standards and best practices including, but not limited to, encryption, firewalls and password protection must be in place when student PII is stored or transferred.
5. A complete list of all student data elements collected by NYSED is available at www.nysed.gov/data-privacy-security/student-data-inventory and by writing to: Chief Privacy Officer, New York State Education Department, 89 Washington Avenue, Albany, NY 12234.
6. The right to have complaints about possible breaches and unauthorized disclosures of PII addressed. (i) Complaints should be submitted to: dpo@wsboces.org. (ii) Complaints may also be submitted to the NYS Education Department at www.nysed.gov/data-privacy-security/report-improper-disclosure, by mail to: Chief Privacy Officer, New York State Education Department, 89 Washington Avenue, Albany, NY 12234; by email to privacy@nysed.gov; or by telephone at 518-474-0937.
7. To be notified in accordance with applicable laws and regulations if a breach or unauthorized release of PII occurs.
8. Educational agency workers that handle PII will receive training on applicable state and federal laws, policies, and safeguards associated with industry standards and best practices that protect PII.
9. Educational agency contracts with vendors that receive PII will address statutory and regulatory data privacy and security requirements.
