NYCRR - 121.3 (b)(1):	What is the exclusive purposes for which the student data or teacher or principal data will be used, as defined in the contract?	Student and teacher data will be used to create individual accounts within our platform. Those accounts will be used by the students and teachers to run and participate in reading challenges and promote a love of reading.
NYCRR - 121.3 (b)(2):	Will the organization use subcontractors? If so, how will the organization ensure that the subcontractors, or other authorized persons or entities to whom the third-party contractor will disclose the student data or teacher or principal data, if any, will abide by all applicable data protection and security requirements, including but not limited to those outlined in applicable State and Federal laws and regulations (e.g., FERPA; Education Law section 2-d, NIST Cybersecurity Framework)?	No, we will not use subcontractors.

NYCRR - 121.3 (b)(3):	What is the duration of the contract including the contract's expected commencement and expiration date? If no contract applies, describe how to terminate the service. Describe what will happen to the student data or teacher or principal data upon expiration. (e.g., whether, when and in what format it will be returned to the educational agency, and/or whether, when and how the data will be securely destroyed and how all copies of the data that may have been provided to 3rd parties will be securely destroyed)	12 months. Expected commencement date July 1, 2023.
NYCRR - 121.3 (b)(4):	How can a parent, student, eligible student, teacher or principal challenge the accuracy of the student data or teacher or principal data that is collected?	Data syncs on a nightly basis with whatever rostering service the district uses. In instances where something becomes out of sync, administrators can contact their client support specialist.
NYCRR - 121.3 (b)(5):	Describe where the student data or teacher or principal data will be stored, described in such a manner as to protect data security, and the security protections taken to ensure such data will be protected and data security and privacy risks mitigated.	Student and teacher data is removed from our system within seven days of their removal from the rostering service data. This brief period of time is given as an effort to help reduce the potential for accounts being removed due to a temporary rostering issue. If the district decides to discontinue use of the software, data is completely wiped from the system. Data is never shared with 3rd parties.
NYCRR - 121.3 (b)(6):	Please describe how and where encryption is leveraged to protect sensitive data at rest and while in motion. Please confirm that all encryption algorithms are FIPS 140-2 compliant.	The database is encrypted at rest and data from the application is only sent over encrypted https connections.
NYCRR - 121.6 (a):	Please submit the organization's data security and privacy plan that is accepted by the educational agency.	Privacy Policy _ Beanstack.pdf
NYCRR - 121.6 (a)(1):	Describe how the organization will implement all State, Federal, and local data security and privacy contract requirements over the life of the contract, consistent with the educational agency's data security and privacy policy.	Data is stored in databases hosted and managed within Amazon's secure data centers and utilize the AWS technology. These data centers are ISO 27001 and FISMA certified.
NYCRR - 121.6 (a)(2):	Specify the administrative, operational and technical safeguards and practices it has in place to protect personally identifiable information that it will receive under the engagement. If you use 3rd party assessments, please indicate what type of assessments are performed.	Data is stored in databases hosted and managed within Amazon's secure data centers and utilize the AWS technology. These data centers are ISO 27001 and FISMA certified.
NYCRR - 121.6 (a)(4):	Specify how officers or employees of the organization and its assignees who have access to student data, or teacher or principal data receive or will receive training of the Federal and State laws governing confidentiality of such data prior to receiving access.	Strict administrative roles are used to protect sensitive information. Data will be accessed only in instances where a request is made by the educational agency to do so.
NYCRR - 121.6 (a)(5):	Specify if the organization will utilize sub-contractors and how it will manage those relationships and contracts to ensure personally identifiable information is protected.	Not applicable.
NYCRR - 121.6 (a)(6):	Specify how the organization will manage data security and privacy incidents that implicate personally identifiable information including specifying any plans to identify breaches and unauthorized disclosures, and to promptly notify the educational agency.	In instances of a breach or unauthorized access to data, all impacted parties will be notified promptly.
NYCRR - 121.6 (a)(7):	Describe whether, how and when data will be returned to the educational agency, transitioned to a successor contractor, at the educational agency's option and direction, deleted or destroyed by the third-party contractor when the contract is terminated or expires. Vendor will be required to complete a Data Destruction Affidavit upon termination of the engagement.	All data will be deleted from the database within 30 days of termination. Data can be extracted by the agency beforehand via a suite of reporting tools.

NYCRR - 121.9 (a)(1):	Is your organization compliant with the [NIST Cyber Security Framework](#)?	Yes
NYCRR - 121.9 (a)(2):	Describe how the organization will comply with the data security and privacy policy of the educational agency with whom it contracts; Education Law section 2-d; and this Part.	Strict administrative roles are used to protect sensitive information. Data will be accessed only in instances where a request is made by the educational agency to do so.
NYCRR - 121.9 (a)(3):	Describe how the organization will limit internal access to personally identifiable information to only those employees or sub-contractors that need authorized access to provide services.	Strict administrative roles are used to protect sensitive information. Data will be accessed only in instances where a request is made by the educational agency to do so.
NYCRR - 121.9 (a)(4):	Describe how the organization will control access to the protected data and not use the personally identifiable information for any purpose not explicitly authorized in its contract. (e.g. Role Based Access, Continuous System Log Monitoring/Auditing)	Role based access, system monitoring, and additional low level tenant data access rules.
NYCRR - 121.9 (a)(5):	Describe how the organization will not disclose any personally identifiable information to any other party without the prior written consent of the parent or eligible student: (i)except for authorized representatives of the third-party contractor such as a subcontractor or assignee to the extent they are carrying out the contract and in compliance with State and Federal law, regulations and its contract with the educational agency; or (ii)unless required by statute or court order and the third-party contractor provides a notice of disclosure to the department, district board of education, or institution that provided the information no later than the time the information is disclosed, unless providing notice of disclosure is expressly prohibited by the statute or court order.	Data is not shared with 3rd parties.
NYCRR - 121.9 (a)(6):	Describe how the organization will maintain reasonable administrative, technical and physical safeguards to protect the security, confidentiality and integrity of personally identifiable information in its custody.	Role based access, system monitoring, tenant access rules, encryption at rest, encryption in motion, and no 3rd party data sharing.
NYCRR - 121.9 (a)(7):	Describe how the organization will use encryption to protect personally identifiable information in its custody while in motion or at rest.	Information stored in the database is encrypted at rest. Data is encrypted in motion and only communicates via secure connections.
NYCRR - 121.9 (a)(8):	Affirmatively state that the organization shall not sell personally identifiable information nor use or disclose it for any marketing or commercial purpose or permit another party to do so.	Affirm
NYCRR - 121.9 (a)(b):	Describe how the organization will supervise its subcontractors to ensure that as subcontractors perform its contractual obligations, the subcontractor will conform with obligations imposed on the third-party contractor by State and Federal law to keep protected data secure.	Not applicable.
NYCRR - 121.10 (a):	Describe how the organization shall promptly notify each educational agency with which it has a contract of any breach or unauthorized release of personally identifiable information in the most expedient way possible and without unreasonable delay but no more than seven calendar days after the discovery of such breach.	In instances of a breach or unauthorized access to data, all impacted parties will be notified promptly.
NYCRR - 121.10 (f):	Affirmatively state that where a breach or unauthorized release is attributed to the organization, the organization shall pay for or promptly reimburse the educational agency for the full cost of such notification.	Affirm
NYCRR - 121.10 (f.2):	Please identify the name of your insurance carrier and the amount of your policy coverage.	CRC Insurance Services, Inc. $5,000,000
